### Business Activities

GIPL with its tireless efforts has been able to undertake all IT/ ITeS projects of Government/ Department/ Boards/ Corporations/ Society or any Agency/entity of the State Government and has cemented its way in establishing itself as a TSP/nodal agency of the State Government in IT Sector.

### Data-Centre Hosting Services

The company is a leading provider of outsourced data center infrastructure for government organizations for IT operations. The data centre is

located at Infocity, Gandhinagar. The company has got its ISO 27001:2013 certification for data center.

Realizing the criticality of secure data storage, zero down time GIPL has geared itself to provide the utmost security, speed and reliability to get the customer online faster by ensuring that all servers are up and running safely at all times with an unbeatable safety and consistency ratio and overall customer satisfaction by providing 24X7 support service.

The Company has engraved its name in the government sector across Gujarat by delivering services like server co-location, managed hosting, storage & backup, network connectivity, application hosting, managed services etc.

### Cloud Hosting

Cloud hosting infrastructure helps in ensuring security, reliability & availability of IT/ITeS with ease of operations in cost effective manner. GIPL offers managed cloud hosting solution on Government approved cloud platforms. GIPL has provided cloud hosting solution to Sarva Shiksha Abhiyan, Reach to Teach, Kamdhenu University, INDEXTb - Industrial Extension Bureau and Tourism Corporation of Gujarat Limited, Sabarmati Gas Limited, Gujarat State Disaster Management Authority etc.

### Surveillance Solutions

GIPL, either as a consultant or as a System Integrator provides end to end IP based Surveillance solutions for various critical locations of Home Department like Jails, City Surveillance, Police Department, GSRTC Depots, Smart Cities like Rajkot & Vadodara, the High Court of Gujarat and complete judiciary of the State, Intelligence Bureau and Gujarat University etc. and to various other Government Departments.

### IT Security Auditing

GIPL provides service for IT security auditing to various Government organizations.

### **Digitization**

GIPL provides services of scanning documents and developing document management system and implementation to various Government organization like High Court of Gujarat, Gujarat State Petronet Ltd (GSPL), Sardar Sarovar Narmada Nigam Ltd (SSNNL) and Tourism Corporation of Gujarat Ltd.(TCGL).

### **Internet of Things (IoT) based Solution**

GIPL provides IoT based Solution like Centralized Energy Management Solution to monitor energy usage, analyze the same and identify energy leakage, which can be fixed to ensure proper energy utilization, minimizing energy loss and lead to saving for various Government organization like GSPL. GIPL has also been appointed as Project Management Consultant (PMC) for SSNNL for Canal Automation Project which will also use IoT technology for canal network operations automation.

### **Geographical Information System(GIS) Solution through Aerial survey**

Aerial survey is a method of collecting geometrics or other imagery by using airplanes, helicopters, UAVs, balloons or other aerial methods. Typical types of data collected are aerial photography, LiDAR, remote sensing and also geophysical data. Aerial survey is distinguished from satellite imagery technologies because of its better resolution, quality and atmospheric conditions. Today, aerial survey is sometimes recognized as a synonym for aero photogrammetry, part of photogrammetry where the camera is placed in the air. Measurements on aerial images are provided by photogrammetric technologies and methods.

Compared to traditional methods of mapping, Aerial mapping is more convenient, faster, economical & accurate. Large areas of land can be mapped in matter of few hours / days with detailed rendering.

### **Smart City Solutions**

GIPL has ensured successful implementation of Smart City project Rajkot Eye Way project as PMC which covers the state of art technology for City Surveillance, Public Wi-Fi, Digital Display, IoT Sensors for environment and Command and Control Center. Similarly, GIPL has also ensured successful implantation of Vadodara Municipal Corporation (VMC) Surveillance project, Smart City projects, SCADA software for Water Management project as PMC. VMC GIS and VMC ERP projects are under implementation for VMC. Urban Development Department has appointed GIPL as consultant for Smart City & AMRUT cities.

### **Apex Consultancy for End-to-End IT Solutions**

The Company is currently acting as Apex consultant for different government departments which includes evaluating right product for the organization, suggesting best options, identifying training needs to end- users, selection of relevant technologies either for Infrastructure or Software solutions like ERP i.e. SAP, Oracle apps, ICCS and bespoke software. Also support organizations for hand holding to Organization with respect to implemented solutions.

### **Total Solution Provider / Nodal Agency**

The Company has been appointed as a Total Solution Provider (TSP) for various government organizations/ departments for its IT related works. GIPL helps the client to get the best technologies and drive their business forward through technology. The consultancy team works closely with the clients to ensure best, feasible and cost effective services. The Company also provides manpower on FMS basis to its group companies or to government clients in connection with projects undertaken by the Company or any other important government departments for technical resources.

### **E-mail Solution Provider**

**INDEPENDENT AUDITOR'S REPORT**

**To the Members of Guj Info Petro Limited**

**Report on the Ind AS Financial Statements**

**Opinion**

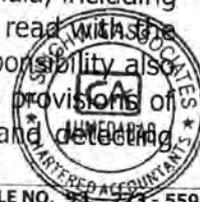

We have audited the accompanying Ind AS financial statements of Guj Info Petro Limited ('the Company') which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management and those charged with governance for the Ind AS financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting

frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of Ind AS financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required under section 143(5) of the Act and in accordance with the directions and sub directions issued by the Comptroller & Auditor General of India, under section 143(5) of the Act, we have complied with all the directions issued and our comments thereon is as per Annexure "C" to "F" to this report.
3. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

- e) In view of Notification No. G.S.R. 463 (E) dated 05<sup>th</sup> June,2015 issued by Ministry of Corporate Affairs, New Delhi provisions of Section 164 (2) of the Act are not applicable to the Company.
- f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
- g) In view of Notification No. G.S.R. 463 (E) dated 05<sup>th</sup> June,2015 issued by Ministry of Corporate Affairs, New Delhi provisions of Section 197 of the Act are not applicable to the Company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- 1) The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements — Refer Note 34 to the Ind AS financial statements.
  - 2) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - 3) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - 4) (i) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (ii) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (iii) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

- 5) No dividend declared or paid during the year by the Company in compliance with section 123 of the Companies Act, 2013.

- (b) Company has not during any point of time of the year, sanctioned working capital limits in excess of five Crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets.

**3. Loans and advances given , investments made and guarantee given**

- a. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, limited liability partnerships, and firms or other parties therefore clause 3 (i) of the order is not applicable .
- b. According to the information and explanations given to us, there is no investments made guarantees provided, security given where terms and conditions of the grant of all loans

and advances in nature of loans and guarantees provided are prejudicial to the company's interest. Therefore clause 3 (ii) of the order is not applicable .

- c. As the Company has not given any loans therefore clause 3(iii) (c) of the Order is not applicable.
- d. As the Company has not given any loans and therefore clause 3(iii) (d) of the Order is not applicable.
- e. As the Company has not given any loans and therefore clause 3(iii) (e) of the Order is not applicable.
- f. As the Company has not given any loans and therefore clause 3(iii) (f) of the Order is not applicable.

#### **4. Compliance of Section 185 & 186**

According to the information and explanations given to us, the Company has not taken loans, made investments, given guarantees or security in terms of sections 185 and 186 of the Companies Act, 2013 therefore clause 3 (iv) of the order is not applicable.

#### **5. Acceptance of deposits**

In our opinion and according to the information and explanations given to us, the Company has not accepted deposits, within the meaning of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder. No order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal.

#### **6. Cost Record**

The Central Government has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013, therefore clause (vi) of paragraph 3 of the Order is not applicable to the Company.

#### **7. Statutory dues**

- (a) In our opinion and according to the information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. There are no such arrears as at 31<sup>st</sup> March 2022 for a period more than six months from the date they became payable.

- (b) In our opinion and according to the information and explanations given to us, there are no statutory dues referred to in clause (a) above that have not been deposited as on 31 March, 2022 on account of any dispute, except following dues:

Sr. No.	Name of the statute	Nature of Dues	Amount (Rs. In lacs)	Period to which amount relate	Forum where dispute is pending
1	Income Tax Act, 1961	Income Tax	22.37	A.Y. 2008-09	ITAT

### 8. Disclosure of transactions not recorded in the books

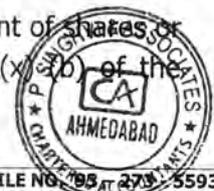

In our opinion and according to the information and explanations given to us there is no such transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

### 9. Default in repayment of loans or other borrowings

- (a) As per the information and according to the explanations given to us the Company has not taken any loans or other borrowings therefore clause 3(ix) (a) of the Order is not applicable.
- (b) As per the information and according to the explanations given to us the company is not a declared wilful defaulter by any bank or financial institution or other lender.
- (c) The Company has not availed term loan therefore clause 3(ix) (c) of the Order is not applicable.
- (d) The Company has not raised fund on short term basis therefore clause 3(ix) (d) of the Order is not applicable.
- (e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures therefore clause 3(ix) (e) of the Order is not applicable.
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies therefore clause 3(ix) (f) of the Order is not applicable.

### 10. Moneys raised by IPO, FPO & preferential allotment/ private placement of shares or convertible debentures

- (a) During the year, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) therefore clause 3(x) (a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year therefore clause 3(x) (b) of the Order is not applicable.

### **11. Fraud reporting**

- (a) As per the information and according to the explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) As per the information and according to the explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year therefore there is no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
- (c) As per the information and according to the explanations given to us there are no whistle-blower complaints, received during the year by the company;

### **12. Compliances by Nidhi Company**

The Company is not a Nidhi Company. Consequently, requirements of clause 3 (xii) of the Order is not applicable.

### **13. Compliance with section 177 and 188**

In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 and the details have been disclosed in the financial statements etc., as required by the applicable accounting standards.

### **14. Internal Audit System**

In our opinion and according to the information and explanations given to us

- (a) The company has an internal audit system commensurate with the size and nature of its business;
- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.

### **15. Non-cash transactions with directors**

According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

### **16. Registration with Reserve Bank of India**

- (a) In our opinion, considering the nature of operations of the Company at present, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) In our opinion, considering the nature of operations of the Company it has not conducted any Non-Banking Financial of Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934;
- (c) In our opinion, considering the nature of operations of the Company the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India,
- (d) In our opinion, considering the nature of operations of the Company the Group does not have CIC as part of the Group

### **17. Cash losses**

In our opinion and according to the information and explanations given to us the company has not incurred cash losses in the financial year and in the immediately preceding financial year.

### **18. Resignation of the statutory auditors during the year**

In our opinion and according to the information and explanations given to us there has not been resignation of the statutory auditors during the year.

### **19. Capability of company of meeting its liabilities existing at the date of balancesheet**

On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

### **20. Transfer of amount remaining unspent under sub-section (5) of section 135 to Fund specified in Schedule VII**

- (a) In our opinion and according to the information and explanations given to us the company does not have projects other than ongoing projects, where unspent amount is to be transferred to a Fund specified in Schedule VII to the Companies Act

period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.

- (b) There is no amount remaining unspent under section (5) of section 135 of Companies Act, pursuant to any ongoing project, has been transferred to special account in compliance with provision of sub section (6) of section 135 of the Companies Act.

**21. Reasons to be stated for unfavourable or qualified answer**

As the Company has presented its standalone financial statements therefore requirement of clause 3 (xxi) of the Order is not applicable..

M. NO.411888

UDIN: 22411888AINIMG1073

Annexure "B" referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirements' of our report of even date to the standalone financial statements of **Guj Info Petro Ltd.** for the year ended 31<sup>st</sup> March, 2022.

**Report on internal Financial Controls under Clause (i) of sub section 3 of section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of Guj Info Petro Limited ('the Company') as at 31<sup>st</sup> March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on principles as codified under the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal Control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2022, based on Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. Corporate information**

Guj Info Petro Limited (GIPL) is a public limited company domiciled in India and incorporated under Section 2(45) of the Companies Act, 1956 (Now 2013). The Company is primarily engaged in providing services like web hosting, designing, development and maintenance of websites, IT consultancy services, software development, server co-location, mailing solutions, operations and maintenance of systems/ networks, trading in hardware equipment, facility management services etc. to various organisations across Gujarat.

**2. Authorization of financial statements**

The Standalone Financial Statements were authorized for issue in accordance with a resolution passed in meeting of Board of the Directors held on 5<sup>th</sup> May 2022.

**3. Significant accounting policies**

This note provides list of the significant accounting policies applied in the preparation of these standalone financial statements. These policies have been applied consistently to all years presented, unless otherwise stated.

**(a) Basis of preparation**

The Standalone Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant Provisions of Companies Act, 2013 and Rules there under (as amended from time to time).

The financial statements are prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for plan assets under employee's defined benefit plan measured at fair value. Refer note 3(k).

The preparation and presentation of the financial statements requires the management to make estimates, judgments and assumptions that affect the amount reported in the financial statements and notes thereto. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as below:

- Useful lives of property, plant and equipment, intangible assets and right of use assets
- Measurement of Defined Benefit Obligations
- Provisions and contingencies
- Current tax and deferred tax recognition
- Expected credit loss for receivables
- Determination of lease term
- Discount rate for calculating lease liabilities

**(b) Property, plant and equipment**

All the items of property, plant and equipment are stated at historical cost net of recoverable taxes, less accumulated depreciation and impairment loss, if any. The cost of a Property, Plant and Equipment comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate

of any decommissioning obligation, if any, and Borrowing costs for assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

#### **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### **(c) Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets like software which are expected to provide future enduring economic benefits are capitalized as Intangible Assets.

#### **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

#### **(d) Depreciation and amortisation methods, estimated useful lives and residual values**

Depreciation on items of property, plant and equipment is provided on Written Down Value Method (WDV) based on the useful life prescribed in Schedule II to the Companies Act 2013 except, for building taken on finance lease. Building is depreciated over the period of lease period of 58 years.

The residual values are not more than 5% of the original cost of the item of property, plant and equipment. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on items of property, plant and equipment acquired / disposed of during the year is provided on pro-rata basis with reference to the date of addition / disposal. Assets costing up to Rs. 5,000/- are depreciated fully in the year of purchase / capitalization.

In case of intangible assets, software is amortized at 40% on written down value method.

#### **(e) Impairment of non-financial assets**

At each balance sheet date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets suffered any impairment loss. If any such indication exists or when annual impairment testing for an asset is required, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash-flow expected from the continuing use of the assets and from its disposal is discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risk specific of the assets. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously

revalued with the revaluation surplus taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

**(f) Leases**

The Company assess whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

**As a lessee**

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

#### As a lessor

Leases for which the Company is a lessor is classified as finance or operating leases. When the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of use asset arising from the head lease.

#### Finance lease

All assets given on finance lease are shown as receivables at an amount equal to net investment in the lease. Principal component of the lease receipts is adjusted against outstanding receivables and interest income is accounted by applying the interest rate implicit in the lease to the net investment.

#### Operating lease

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term.

### (g) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### Financial assets

##### Initial recognition

A financial asset is recognised in the balance sheet when the Company becomes party to the contractual provisions of the instrument.

**Initial measurement**

At initial recognition, the Company measures a financial asset at its fair value plus or minus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset.

**Subsequent measurement**

For purpose of subsequent measurement, financial assets are classified into:

- A. Financial assets measured at amortised cost;
- B. Financial assets measured at fair value through profit or loss (FVTPL); and
- C. Financial assets measured at fair value through other comprehensive income (FVTOCI).

The Company classifies its financial assets in the above mentioned categories based on:

- A. The Company's business model for managing the financial assets, and
- B. The contractual cash flows characteristics of the financial asset.

A financial asset is measured at amortised cost if both of the following conditions are met:

- A. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- B. The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

A financial asset is measured at fair value through other comprehensive income if both of the following conditions are met:

- A. The financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and
- B. The asset's contractual cash flows represent SPPI.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

**Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- A. The contractual rights to the cash flows from the financial asset have expired, or
- B. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - i) The Company has transferred substantially all the risks and rewards of the asset, or
  - ii) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

**Impairment of financial assets**

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (i) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- (ii) Trade receivables
- (iii) Lease Receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition

**Financial Liabilities****Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities measured at fair value through profit or loss (Such as derivative items) and at amortised cost (Such as loans and borrowings, lease liabilities etc.) as appropriate.

All financial liabilities are recognised initially at fair value.

The Company's financial liabilities include trade and other payables, lease liabilities etc.

**Subsequent measurement**

- A. Financial liabilities measured at amortised cost
- B. Financial liabilities subsequently measured at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

**Trade and other payables**

These amounts represent liability for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are unsecured and presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**Lease Liabilities**

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Subsequently, the lease liability is measured at amortised cost using the effective interest rate method.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

**(h) Offsetting financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when, and only when, there is a legally enforceable right to offset the recognised amount and there is intention either to settle on net basis or to realise the assets and to settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

**(i) Fair value measurement**

The Company measures certain financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- A. In the principal market for the asset or liability, or
- B. In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as under, based on the lowest level input that is significant to the fair value measurement as a whole:

- A. Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- B. Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- C. Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

**(j) Inventories**

Inventories comprises of traded goods mainly computer hardware, software and other networking peripherals, materials for networking. These are stated at lower of cost or net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. Cost is determined on FIFO basis.

**(k) Employee benefits****(i) Short term employee benefits obligations**

Short-term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which related services are rendered.

**(ii) Post-employment benefits and other long term employee benefits:**

The Company has participated in- Group Gratuity scheme of Life Insurance Corporation of India. The liability in respect of gratuity benefits being defined benefit schemes, payable in future, are determined by actuarial valuation carried out using projected unit credit method as on the balance sheet date and actuarial gains/(losses) after adjustment of planned assets are charged to the Other Comprehensive Income for the year. Moreover, the liability in respect of leave encashment being other long term employee benefits, payable in future, are also determined by actuarial valuation carried out using projected unit credit method as on the balance sheet date and actuarial gains/(losses) are charged as employee benefit expenses in the Statement of Profit and Loss for the year.

Loyalty Bonus: The Company provides for loyalty bonus to eligible employees whereby a lump sum payment to eligible employees at the time of retirement, death, incapacitation or termination of employment is paid based on the respective employee's salary and the tenure of employment. Liabilities with regard to the loyalty bonus scheme are determined by independent actuarial valuation as on the balance-sheet date and actuarial gains/(losses) are charged as employee benefit expenses in the Statement of Profit and Loss for the year.

Retirement benefits in the form of provident fund and defined superannuation fund which are defined contribution schemes are accrued in accordance with statutes and deposited with respective authority/agency and charged to the Statement of Profit and Loss account for the year, in which the contributions to the respective funds accrue.

**(l) Foreign currency transactions****(i) Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The standalone financial statements are presented in Indian rupee (INR), which is GIPL's functional and presentation currency.

**(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in profit or loss.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

#### (m) Revenue recognition

Revenue corresponds to the fair value of the consideration received or receivable for goods and services sold, net of rebates, in the normal course of the Company's activities. Revenue is recognized in the income statement when the control of the goods or services has been transferred. The amount recognised as revenue is stated exclusive of Goods and service tax (GST).

Revenue from sale of traded goods is recognised at the point in time when control is transferred to the customer, generally on delivery of the goods to the customer.

The Company recognises revenue from operation and maintenance services, webhosting, webcasting services, server co-location, software as a service model over specified period of time on a straight line basis, because the customer simultaneously receives and consumes the benefits provided by the Company. Facility management services are recognised at gross amount charged to customers with a corresponding charge in the statement of profit & loss.

The Company recognises revenue from software development services over time, using an input method to measure progress towards complete satisfaction of the service, because the software being developed does not have an alternative use to the Company and it has the enforceable right to payment for performance completed to date. Further, the Company recognises revenue from consultancy projects over time, using an output method to measure progress towards complete satisfaction of the service.

Revenue recognized in excess of billing has been reflected under "unbilled revenue". Excess billing over revenue recognized has been reflected under "deferred revenue/contract liability".

Interest income is recognised using effective interest rate (EIR) method. Dividend income is accounted for when the right to receive the same is established, which is generally when the shareholders approve the dividend.

#### (n) Taxation

##### Income taxes

Provision for current tax is calculated on the basis of the Income tax law enacted or substantively enacted at the end of the reporting period.

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

##### Deferred Taxes

Deferred tax is provided, on temporary difference arising between the tax bases of the assets and liabilities and their carrying amounts in standalone financial statements, using tax rates & laws that have been enacted or substantially enacted at the end of the reporting period.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable profits will be available to utilise the same.

Deferred tax is not recognised for all taxable temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is probable that the differences will not reverse in the foreseeable future.

Any tax credit available including Minimum Alternative Tax (MAT) under the provision of the Income Tax Act, 1961 is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits can be utilised. The said asset is created by way of credit to the statement of profit and loss and shown under the head deferred tax asset.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset the same and when the balances relate to the same taxation authority.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case, the tax is also recognised in other comprehensive income or directly in equity.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to utilize all or part of the deferred tax asset. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will available to utilize the deferred tax asset.

**(o) Earnings per share**

**Basic earnings per share**

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

**Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(p) Provisions, contingent liabilities and contingent assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liability is disclosed in the case of:

- A. A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- B. A present obligation arising from the past events, when no reliable estimate is possible;
- C. A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

Contingent liabilities are not provided for & if material, are disclosed by way of notes to accounts. Contingent assets are not recognized in financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

**(q) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash and deposits with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

**(r) Statement of Cash Flows**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

In line with the amendments to Ind AS 7 Statement of Cash flows (effective from April 1, 2017), the Company has provided disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes. The adoption of amendment did not have any material impact on the financial statements.

**(s) Dividends**

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorised and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, a dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

**(t) Segment Reporting**

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to the CODM.

The Board of Directors (BoD) of the Company assesses the financial performance and position of the Company, and makes strategic decisions; hence the Board of Directors are CODM. Refer note 31 for segment information presented.

**(u) Rounding off**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousands as per the requirements of Schedule III, unless otherwise stated.

**(v) Events occurring after the Reporting Date**

Adjusting events (that provides evidence of condition that existed at the balance sheet date) occurring after the balance sheet date are recognized in the financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the balance sheet date) occurring after the balance sheet date that represents material change and commitment affecting the financial position are disclosed in the Directors' Report.

**(w) Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

**(x) Recent Pronouncements not yet effective**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Rules, 2022 applicable from April 1<sup>st</sup>, 2022 as below. The Company intends to adopt these standards or amendments from the effective date.

**Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract**

The amendments specify the guidance on what constitutes cost of fulfilling contracts to determine whether the contract is onerous or not.

The amendments are extensive and company will evaluate the same to give effect to them as required by law.

Notes

- The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.
- Significant management judgement is required in determining provision for income tax, deferred tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

**Note 30**

**Earnings per share**

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting for dilution effect) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares. The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	Amount in Thousand	
	For the year ended March 31,2022	For the year ended March 31,2021
Profit attributable to Equity holders	32,387.57	42,329.99
Effect of dilution	-	-

<b>10. Experience adjustments</b>				
Actuarial ( Gain ) / Loss on Plan Assets	29.60	(36.89)	-	-
Actuarial ( Gain ) / Loss on Obligations	1,265.88	840.37	100.53	(914.36)
<b>11. Investment Details of Plan Assets</b>				
Invested with LIC of India	100%	100%	0%	0%
<b>12. Assumptions</b>				
a. Discount Rate (per annum)	7.25%	6.80%	7.25%	6.80%
b. Estimated Rate of return on Plan Assets (per annum)	7.25%	6.80%	7.25%	0.00%
c. Rate of escalation in salary (per annum)	7.00%	7.00%	7.00%	7.00%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The expected rate of return on plan assets is determined considering several applicable factors, mainly the composition of plan assets held, assessed risks, historical results of return on plan assets and the Company's policy for management of plan assets.

#### Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	Amount in Thousand			
	31-Mar-22			
	Increase		Decrease	
	Gratuity	Leave Encashment	Gratuity	Leave Encashment
Discount rate (0.5% movement)	18,695.29	11,892.66	20,904.28	13,232.14
Withdrawal rate (10% movement)	19,917.61	12,545.17	19,585.66	12,529.16
Salary growth rate (0.5% movement)	20,289.06	13,230.46	19,170.39	11,888.29

Particulars	Amount in Thousand			
	31-Mar-21			
	Increase		Decrease	
	Gratuity	Leave Encashment	Gratuity	Leave Encashment
Discount rate (0.5% movement)	17,480.12	11,114.10	19,684.31	12,476.40
Withdrawal rate (10% movement)	18,665.49	11,764.83	18,399.71	11,771.70
Salary growth rate (0.5% movement)	19,047.29	12,471.60	18,033.79	11,112.33

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

#### Note:

Loyalty Bonus: The Company has also provided for ₹ 14,79,687/- (for F.Y 2020-21 ₹ 9,16,281/-), towards liability of loyalty bonus (non funded defined benefit plan) during the year as per actuarial valuation.

#### Note 32

##### Segment Information

The Company is engaged into service industry that includes IT consultancy, software development and maintenance of websites, Data centre services and facility management services. The Board of Directors of the Company allocate the resources and assess the performance of the Company, thus BOD are the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of the business as single operating segment, hence no separate segment needs to be disclosed.

##### Information about geographical areas

1. The Company does not have geographical distribution of revenue and hence entitywide disclosure is not applicable to the Company.

2. None of the company's assets are located outside India hence entitywide disclosure is not applicable to the Company.

##### Information about major customers

Revenue of ₹ 5,80,57,506/- (P.Y. ₹ 5,03,40,647/-) are derived from multiple major customers contributing more than 10% of the Company's revenue individually.

For direct tax <sup>1</sup>		
For performance bank guarantee to DOT	2,236.59	2,236.59
For financial bank guarantee to DOT	20,000.00	20,000.00
For disputed adjusted gross revenue <sup>2</sup>	2,000.00	2,000.00
For performance bank guarantee to Others	-	-
<b>Total</b>	<b>878.84</b>	<b>878.84</b>
	<b>25,115.43</b>	<b>25,115.43</b>

<sup>1</sup>Income Tax assessments up to Assessment Year 2018-19 have been completed and Company had filed various appeals against orders passed by Income Tax Department for various Assessment years. The tax impact/demand of appeals lying the Income Tax Appellate Tribunal (ITAT) for AY 2008-09 is ₹.22.37 Lacs (Previous Year : ₹ 22.37 Lacs).

**<sup>2</sup>Adjusted Gross Revenue**

The Company was regularly paying license fees @ 6% of the income from licensed activities based on the order of TDSAT dated 30th August 2007 and subsequent TRAI's guidelines considering income from licensed activities as the Adjusted Gross Revenue (AGR). The quarterly returns are filed from time to time and provisional assessment has also been completed by DoT up to the year 2008-09. No further provisional assessment done by DoT.

Subsequently, Supreme Court (SC) vide its order dated 11th October 2011 set aside the TDSAT order and remitted the matter to the Tribunal to pass fresh order in accordance with law. DOT has issued a letter no.820-01/2006-LR (Vol-II) Pt. dated 29/6/2012 increasing AGR at 7% from 01/07/2012 and 8% for the year 2013-14 onwards and clarified that Revenue for the purpose of license fee shall provisionally include all types of revenue from internet services allowing only those deductions available for pass through charges and taxes/levies as in the case of access services without any set-off for expenses.

The matter was reviewed and decided by TDSAT vide order dated 23/04/2015 holding that the AGR for the purpose shall include only revenues from licensed activities. The said order was challenged by DOT before the Supreme Court. On October 24, 2019, the Honorable Supreme Court delivered its judgement in relation to long outstanding dispute regarding the definition of AGR for the purpose of determining the License Fees upholding the stand of DoT.

Further, the Company has received the letter no: CCA/GUJ/LF/ISP-IT/GIPL/2009-10/55 dated 20-11-2019 from DoT, asking to comply the SC judgment. Then, the company has paid ₹ 5.00 Cr. towards AGR dues as an ad-hoc payment under protest.

Thereafter, DoT has carried out assessment of due license fees for the period F.Y. 2009-10 to F.Y. 2013-14 and issued assessment order about refund of license fees vide letter CCA/GUJ/ISP-IT/LF Assess/GIPL/2019-20/89 dated 04/12/2020.

As per assessment order there is a refund of AGR Licence fees dues, hence there is no contingent liability of AGR Dues. Further, the company has also requested DoT to refund the excess amount of ₹ 5,27,12,405 paid towards License Fee as per assessment order and also to return the Performance Bank Guarantee amounting ₹ 2.00 Crore and Financial Bank Guarantee amounting ₹ 0.20 Crore.

As and when refund will be received and bank guarantees will be released from DoT, necessary accounting entries will be passed and provision will be reversed.

Notes to financial statements for the year ended 31st March 2022

2021-22  
21st Annual Report**Note 36****Disclosures related to Micro, small and medium enterprise Development Act, 2006.****Due to Micro, Small and Medium Enterprises:**

Under the Micro Small and Medium Enterprises Development Act, 2006, (MSMED) which came in to force from 02.10.2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. On the basis of the information and records available with management, outstanding dues to the Micro and Small enterprise as defined in the MSMED Act, 2006 are disclosed as below.

Particulars	Amount in Thousand	
	As at 31 March 2022	As at 31 March 2021
Principal amount remaining unpaid to any supplier as at the year end.	1,699.86	1,872.81
Interest due thereon	-	-
Amount of interest paid by the Company in terms of section 16 of the MSMED, along with the amount of the payment made to the supplier beyond the appointed day during year.	-	-
Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED.	-	-
Amount of interest accrued and remaining unpaid at the end of accounting year.	-	-

**Note 37****CSR Expenditure**

Provisions of Corporate Social Responsibility (CSR) are not applicable to the company for FY 2021-22 as per Section 135(1) and Rule 3(2) of Companies (CSR Policy) Rules, 2014. Accordingly, expenditure related to CSR as per section 135 of the companies act, 2013 read with schedule VII as on 31st March 2022 was NIL. ( 31st March 2021:- NIL)

**Note 38**

Balances of debtors , creditors and loans and advances are subject to confirmation.

**Note 39**

In the opinion of management, any of the assets other than property, plant and equipment have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated. Based on the review, management is of the opinion that there is no impairment of any assets.

**Note 40**

There is no material foreseeable losses on long term contracts. The Company has not entered into derivative contracts.

**Note 41**

The Company has elected to exercise the option permitted under section 115BAA of the Income tax Act as introduced by the Taxation Laws(Amendment) Ordinance,2019 dated September 20,2019. Accordingly Company has recognised provision for income tax and re-measured its deferred tax assets basis at the rate prescribed in the said section and has taken full effect to Statement of profit and loss in the quarter ended September 30,2019 and year ended March 31,2020.

**Note 42****Estimation uncertainty relating to the global health pandemic on COVID-19**

In assessing the impact of COVID-19 on recoverability of receivables including unbilled receivables,contract assets,inter corporate deposits etc. the company has considered internal and external information up to the date of approval of these financial results. The majority of receivables are from Govt. entities and group, where no credit risk is perceived.The company has no cocentration of credit risk as the customer base is majorly Govt. Companies/departments.The impact of the global health pandemic may be different from that estimated as at the approval of these financial results and the company will continue to closely monitor any material changes to future economic conditions.

## Guj Info Petro Limited

Notes to financial statements for the year ended 31st March 2022

2021-22  
21st Annual Report

### Note 44

Financial instruments – Fair values and risk management

#### B. Financial risk management

The Company has exposure to the

- Credit risk ;
- Liquidity risk ; and
- Market risk

#### i. Risk management framework

The Company's activities expose it to variety of financial risks such as credit risk, liquidity risk, and market risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

#### ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk on cash and cash equivalents is limited as the Company makes investment in deposits with Banks and Government nominated agencies only.

#### Other financial assets

The Company maintains its cash and cash equivalents and deposits with Government nominated agencies / banks having good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

#### Trade receivables

Trade receivables of the Company are typically unsecured. Credit risk is managed through credit approvals and periodic monitoring of the creditworthiness of customers to which Company grants credit terms in the normal course of business. The Company performs ongoing credit evaluations of its customers' financial condition and monitors the creditworthiness of its customers to which it grants credit terms in the normal course of business. Majority of receivables are from government entities and group, where no credit risk is perceived. On other, the allowance for impairment of trade receivables is created to the extent and as and when required, based upon the expected collectability of accounts receivables. The Company has no concentration of credit risk as the customer base is majorly government companies/ departments.

At March 31, 2022, the maximum exposure to credit risk for trade receivables by geographic region was as follows:

Particulars	Amount in Thousand	
	Carrying amount as at	
	31-Mar-22	31-Mar-21
Other regions	-	-
Domestic	84,918.72	89,263.71
	-	-

At March 31, 2022 the maximum exposure to credit risk for trade receivables by type of counterparty was as follows:

Particulars	Amount in Thousand	
	Carrying amount as at	
	31-Mar-22	31-Mar-21
Distributors	-	-
Others	84,918.72	89,263.71
	<b>84,918.72</b>	<b>89,263.71</b>

At March 31, 2022, the Company's most significant customer, Sarva Shiksha Abhyas Mission, accounted for ₹ 304.55 Lacs (P.Y. ₹ 307.88 Lacs GS&HSEB) to revenue and ₹ 149.69 Lacs for outstanding trade receivables. (P.Y ₹ 94.46 lacs GS&HSEB)

Contd..

Note 44

Financial instruments – Fair values and risk management

Impairment

The ageing of trade and other receivables that were not impaired was as follows.

Particulars	Amount in Thousand					
	Carrying amount					
	As at 31 March 2022			As at 31 March 2021		
	Gross	Less: Provision	Net	Gross	Less: Provision	Net
Neither past due nor impaired						
Upto 30 days	34,023.51	-	34,023.51	40,866.34	-	40,866.34
Between 31-90 days	17,537.19	-	17,537.19	10,194.75	-	10,194.75
Between 91-120 days	7,816.56	-	7,816.56	2,128.92	-	2,128.92
More than 120 days	61,793.91	36,252.45	25,541.46	68,377.53	32,303.83	36,073.70
	<b>1,21,171.17</b>	<b>36,252.45</b>	<b>84,918.72</b>	<b>1,21,567.54</b>	<b>32,303.83</b>	<b>89,263.71</b>

Particulars	Amount in Thousand	
	31-Mar-22	31-Mar-21
Opening Allowance for bad and doubtful Trade receivable	32,303.83	32,303.83
Less: Allowance utilised during the year	(5,198.38)	-
Change in allowance	9,147.00	-
Closing Allowance for bad and doubtful Trade receivable	<b>36,252.45</b>	<b>32,303.83</b>

The above receivables which are past due but not impaired are assessed on individual case to case basis and relate to a number of independent third party customers from whom there is no recent history of default. These financial assets were not impaired as there had not been a significant change in credit quality and the amounts were still considered recoverable based on the nature of the activity of the customer portfolio to which they belong and the type of customers. There are no other classes of financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

March 31, 2022	Carrying amount	Contractual Cash flows				
		Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Non current financial liabilities	7.45	174.72	-	-	-	174.72
Trade payables	5,956.49	5,956.49	5,956.49	-	-	-
Other current financial liabilities	8,731.05	8,731.05	8,731.05	-	-	-

March 31, 2021	Carrying amount	Contractual Cash flows				
		Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Non current financial liabilities	6.89	174.72	-	-	-	174.72
Trade payables	7,017.77	7,017.77	7,017.77	-	-	-
Other current financial liabilities	6,893.14	6,893.14	6,893.14	-	-	-

The gross inflows/(outflows) disclosed in the above table represent the contractual undiscounted cash flows relating to Non derivative financial liabilities held for risk management purposes and which are not usually closed out before contractual maturity.

iv. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is not exposed to market risk primarily related to foreign exchange rate risk.

v. Currency risk

The functional currency of the Company is Indian Rupee. The Company does not have any foreign currency exposure.

# Guj Info Petro Limited

Notes to financial statements for the year ended 31st March 2022

2021-22

21st Annual Report

## Note 44

Financial instruments – Fair values and risk management

### vi. Interest rate risk

Interest rate risk is the risk that the future cash flows of floating interest bearing borrowing will fluctuate because of fluctuations in the interest rates. The Company does not have any borrowing as on each reporting date and accordingly the Company does not have any exposure to interest rate risk.

## Note 45

### Capital Management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company's adjusted net debt to equity ratio at March 31, 2022 was as follows.

Particulars	Amount in Thousand	
	As at	
	31-Mar-22	31-Mar-21
Total Non current liabilities	21,416.64	20,405.24
Less : Cash and bank balances	31,318.90	36,186.27
<b>Adjusted net debt</b>	(9,902.26)	(15,781.03)
Total equity	5,94,028.13	5,61,839.14
Adjusted net debt to adjusted equity ratio	(0.02)	(0.03)
